ORDERING AND POLICIES

All food and beverages must be provided by Dome Catering. No outside food or beverages are allowed to be brought into the stadium. No food or beverage items are to leave the suite after the event.

FOOD AND BEVERAGE SERVICE POLICY

Each suite will have a Catering staff member attending to your needs on event day. There will be a non-negotiable \$50 charge applied to orders over \$100. For any order under \$100 there will be a non-negotiable 20% charge applied to your order. These charges are to supply, maintain, and service your suite.

It is the responsibility of the suite holder or authorized representative to control consumption of alcoholic beverages in the suite when a member of the catering staff is not present.

Members of our catering staff reserve the right to refuse service to any patron who appears intoxicated and request proof of age from any patron who appears to be under the age of 35.

When placing your beverage order, we suggest only ordering what you will consume as you are charged upon delivery, not upon consumption. Additional beverages can be ordered during the event. No credits will be issued for unused product(s).

Cancellations can be made up to 72 hours prior to event day without charge. Any cancellations made within 72 hours may incur charges.

Orders from the game day menu will be accepted via the Dome Catering email until 12 hours prior to the start of the event. Any new orders or additions to orders within 12 hours of the event can be submitted to your host or leader once you are in the JMA Wireless Dome, through halftime of the event. Once the ball is kicked, tipped, or faced, we will close all ordering.

Gratuities are not accepted by any Syracuse University employee.
